- 1 bottle of official Aramith® ball cleaner
- 1 polishing wheel with rayon bonnet
- 1 microfiber cloth

⚠ CAUTION

- Do not dry polish balls. Always use official Aramith® ball cleaner.
- Keep ball cleaner out of reach of children.
- Do not swallow.
- If swallowed, call a physician immediately .

⚠ WARNING

To prevent serious injury and property damage: 1. Do not exceed max. 2700 RPM. 2. Wear ANSI-approved safety goggles during use. 3. Inspect before use ; do not use if damaged. 4. Always keep the cleaning bucket, the polishing bonnet, and the microfiber cloth clean and free of dirt. Wash after each use.

Portable affordable billiard ball cleaning kit

The balls used in professional cuesports are required to be maintained to a high standard for optimum performance and playability.

Clean and polished billiard balls are essential for consistent gameplay and more predictable cue action.

- Simultaneously clean and polish a full set of balls in less than three minutes.
- Costs much less than other fancy cleaning machines.
- All parts are washable and reusable.

OPERATORS INSTRUCTIONS

1. Add four balls to the cleaning bucket and apply a dime size amount of Aramith® ball cleaner to each ball.
2. Attach the polishing wheel to a power drill and spin the balls for 20 seconds. Apply a small amount of pressure and avoid tilting the bucket or the drill.
3. Wipe off the excess residue with the microfiber cloth.

TIPS

- Keep the cleaning bucket, the polishing bonnet and the microfiber cloth clean and free of dirt. Wash with water and let air dry.
